PURPOSE

This DIRECTORY is intended to encourage and facilitate a wider use of exhibition and lecture tours by independent film and video makers. It will have many other uses as well.

CAVEATS

The information in this DIRECTORY is derived from the subscription lists and other resources of the FILM AND VIDEO MAKERS TRAVEL SHEET as of September, 1979. We have made the DIRECTORY as definitive as our current information permits. Inclusions and omissions reflect these continually changing records. WE WELCOME CORRECTIONS AND ADDITIONS, which will be incorporated in future publications.

The Institution Sections of the DIRECTORY contain encoded information on the screening facilities and policies of organizations exhibiting the works of independent film and video makers. Our intention is to give an indication of the exhibition components of such organizations, and emphasize the importance of good exhibition equipment and appropriate compensation for the artist. However, this encoded information may be out of date, or might not account for varieties in local exhibition situations. In many cases, for example, equipment not listed as owned by a specific organization can be readily borrowed or rented. WE RECOMMEND THAT AN INSTITUTION BE CONTACTED DIRECTLY for complete information.

OUR THANKS

We are grateful to the many Carnegie Institute volunteers, and especially to Alice Brown, Martha Briem and Carol Bugaile, whose assistance has been essential to the completion of this DIRECTORY.

Maryllynn Uricchio, DIRECTORY Editor
William Judson, Curator of Film

INSTITUTIONS

PLEASE NOTE:

The Institutions Section contains encoded information on the screening facilities and policies of some of the organizations listed. Our intention is to give an indication of the exhibition components of such organizations, and emphasize the importance of good exhibition equipment and appropriate compensation for the artists. However, this encoded information may be out of date, or might not account for varieties in local exhibition situations. For example, in many cases equipment not listed as owned by a specific organization can be readily borrowed or rented. WE RECOMMEND THAT AN INSTITUTION BE CONTACTED DIRECTLY for complete information.

THE FILM AND VIDEO MAKERS TRAVEL SHEET is a monthly publication of the Film Section, Museum of Art, Carnegie Institute. The purpose of the TRAVEL SHEET is to encourage and facilitate a wider use of exhibition and lecture tours by independent film and video makers.

The TRAVEL SHEET contains three sections - a listing of tour dates and locations, new institutions that program the work of independents (an update to the DIRECTORY), and new works in film and video. Announcements of interest to the artist (festivals, conferences, funding information and employment opportunities) are also included.

A subscription to the TRAVEL SHEET is \$3.00 a year surface mail, or \$9.00 a year airmail abroad.

The FILM AND VIDEO MAKERS DIRECTORY is \$5.00 a copy.

The special rate of \$6.00 a year, or \$12.00 a year airmail abroad, is available to those who wish to receive both the DIRECTORY and a subscription to the TRAVEL SHEET.

LISTINGS FOR THE TRAVEL SHEET MUST BE RECEIVED BY THE 1ST OF THE PREVIOUS MONTH.
