Marylynn Uricchio, who has so effectively and conscientiously put out this TRAVEL SHEET for the past year and a half, and who single-handedly produced the 2nd Edition of THE FILM AND VIDEO MAKERS DIRECTORY, has resigned as editor to do graduate work at Columbia University. One of her many activities in Pittsburgh, in addition to the TRAVEL SHEET and the DIRECTORY, has been reviewing theatrical films and writing features for the daily Pittsburgh Post-Gazette where she has rapidly established a reputation for intelligent and amusing journalism. We in the office and in the city will miss her enthusiasm and energy, and wish her all the best in New York City, where in all likelihood her presence will soon be felt.

The new  $\frac{TRAVEL\ SHEET}{of\ the\ task}$  editor is Margot Gloninger, who is rapidly assimilating the diverse aspects of the task. As in past transitions, this one is going smoothly, and we extend a hearty welcome to Margot.
