James, dear soul:

We are still in a pleasant glow from your trip - and the delightful post card. It was indeed IT! I do think of you as "the loony trickster, skipping over the countryside", impressive, monumental & patriarchal!

You have your check by now I trust—sorry it takes so long. We're re-vising our system so that the check will be given on arrival.

Steve Savage (Pitt video tape) has gone home for this weekend for his sisters wedding so I don't know what he has arranged film or otherwise - but spoke with him suggesting he do something! I'll pursue him again on Monday about it.

I'll be anxious to see Dream Wood when it's ready - let me know - it sounds lovely. James, what is the new film?

In about a month you'll get a letter from the workshop, (for which we got the grant, I think I told you about it) inviting you to submit proposal for seminar, workshop, class, - es, etc. We do the advertising, you fly in and teach if enough sign up.- if not nothing is lost. (except we'd miss you!) You'll be able to repeat the performance as often as you want to teach - no binding contract or long term commitments. We hope to start going on it in February.

Have a sumptuous Thanksgiving and a perfectly joyous Christmas and I'll look forward to seeing you sometime in the New Year.-

With warm regards & great affection,

Sally
