My very dear James,

Yes! Of course I want a print of This Is It. New and crisp in all its pure wholyness.

Do send one as quickly as you can. We wait with breathless expectation of owning a print of that elegant juicy little film. Bill us immediately and we will put it through.

My dear James, John Schofill was here last week and it did my heart great good to hear of and think of seeing you on his film. I do and shall savor each moment.

How wonderful you are!

My love to each,

Sally F. Bixon
