Dear Bill Judson,

I am now finishing my film MONUMENT FOR THE OLD WORLD.
This film is the first I am releasing since UNSERE AFRIKAREISE
in 1966. It has become the fullest realisation of my concept
of cinema so far.

MONUMENT FOR THE OLD WORLD will be first shown on the last of
eight evenings of projections of my work, their analysis and
lectures on the ESSENCE of CINEMA, which I will give at the
Museum of Modern Art of New York between January 15 and January 29,
1977.

I would very much like to celebrate the birth of this film by
presenting it to the old friends of my work and by attempting
to win new ones.

I will be doing presentations between February 1 and March 31,
1977:

- 1) A two days appearance consisting of an evening show for a
general public, containing my complete works and the premiere
of MONUMENT FOR THE OLD WORLD, followed by a general presentation
of my cinematographic concept. On the next day I would like
to give an analysis of my new work for those who are more
thoroughly interested, filmmakers, students, etc. This second
session will include several projections of the new work and
provide the opportunity for discussion.
- 2) A one week course on my work with special emphasis on
MONUMENT FOR THE OLD WORLD.

This course will also start with an evening premiere for the
general public as I have described above.

On the following days there will be projections and analysis
of all of my films but I will especially concentrate on new
results obtained with MONUMENT FOR THE OLD WORLD.

This course would be interesting not only for filmstudents
but for everybody interested in the development of human
communication.

Please let me know at your early convenience if you are interested
in organizing a presentation of my new work, under which condition
and when you would like to schedule.

With best regards

Peter Kubelka
