On the suggestion of Maggie Cowlan at the Center for Understanding Media, I am writing to you for information concerning university departments that are involved with film, video, or "media studies." I am a filmmaker, also make mixed-media performances, and would like to arrange a series of lecture-screenings of my latest work for the coming fall-winter. Do you have a list of media centers throughout the country? And would you be interested in booking a film of mine or my most recent "Performance around a film about a woman who..."?

Any information you can give me will be greatly appreciated.

Very sincerely,

Yvonne Rainer
